

diary

14-17 July 1997. Second Malaysian International Water Management Technology, Equipment and Control Systems Exhibition, Kuala Lumpur, Malaysia. For more details contact: *Desmond Liew, Malaysian Exhibition Services Sdn Bhd, 468-1B Batu 3, Jalan Ipoh, 51200 Kuala Lumpur, Malaysia. Fax: +60 3 443 7241.*

1-5 September 1997. Twenty-third WEDC Conference, Durban, South Africa. Theme: Water and sanitation for all: partnerships and innovations. Contact: *Mrs R. Steele, WEDC, Loughborough University, Leics. LE11 3TU, UK. Fax: +44 1509 211079. E-mail: r.m.steele@lboro.ac.uk*

15-19 September 1997. Water Africa '97 and Second Southern Africa Water & Wastewater Conference, Harare, Zimbabwe. The theme of the conference is 'Water security: guarding resources against drought and pollution'. Discussions will include past projects, current practices and future directions for the water and sanitation sector in Southern Africa. For more details, contact: *Tracey Nolan, Exhibition Director, African Conferences and Exhibitions Ltd, 37 Upper Duke*

Street, Liverpool L1 9DY, UK. Fax: +44 151 709 7801. E-mail: africon@robart.demon.co.uk

5-7 November 1997. Third International Conference on River Flood Hydraulics, Stellenbosch, South Africa. Aims to link current research to needs of engineering practice. Topics include: Environmental, social and economic aspects of floods; flood hydraulics research; and management of developments on flood plains. For more details, contact: *Ms Jacqueline Watts, Conference Organizer, HR Wallingford Ltd, Howbery Park, Wallingford, Oxon OX10 8BA, UK. Fax: +44 1491 832233.*

17-21 November 1997, ICID International Drainage Workshop for the 21st Century and Drainage Asia '97 Exhibition, Penang, Malaysia. Drainage issues in the humid tropics. Workshops on policy and strategies for emerging problems; and training and research. For anyone involved in planning, construction, and maintenance of drainage and flood-control projects. Contact: *Secretary of MANCID, c/o Planning and Evaluation Division, Department of Irrigation and Drainage,*

Jalan Sultan Salahuddin, 50626 Kuala Lumpur, Malaysia. Fax: +60 3 2911082/2914282.

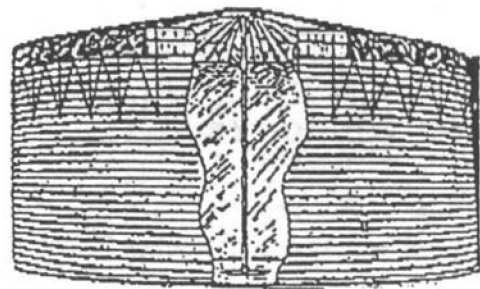

11-14 March 1998. 13th International Water Exhibition SMAGUA '98 and Environment Show, Zaragoza, Spain. Energy; water; atmosphere; waste disposal; and environmental engineering. For more details, contact: *SMAGUA, Apartado de Correos 108, 50080 Zaragoza, Spain. Fax: +34 76 330649.*

24-6 March 1998. Aquatech Asia 98, Singapore. Focus on water purification, wastewater treatment and water pollution-control equipment. Contact: *William Lim, RAI Exhibitions Singapore PTE Ltd., 1 Maritime Square, #09-01, World Trade Centre, Singapore 099253. Fax: +65 272 6744. E-mail: raispore@singnet.com.sg*

19-24 July 1998. First International Conference on Fog and Fog Collection, Vancouver, Canada. To focus attention on fog collection as a sustainable, environmentally friendly water supply, and to raise the profile of fog in hydrological and ecosystem studies. 300-word abstracts should be submitted by 1 September 1997. More information from: *First International Conference on Fog and Fog Collection, PO Box 81541, 1057 Steeles Avenue, West North York, Ontario, Canada M2R 2X1. URL: <http://www.dow.on.doe.ca/armp/Events.html>*

WATER EQUIPMENT

- * **CORRUGATED WATER TANKS AND ROOFS**
- * **TAP STANDS AND VALVES**
- * **PUMPS AND FITTINGS KITS**
- * **PVC, MDPE AND GALVANIZED TUBES AND FITTINGS**

As a small engineering company specializing in the fabrication of water-related products we are able to offer a quick response to emergency situations.

We also manufacture and supply a full range of appropriate technology **IRRIGATION** systems.
