

24-6 March 1998. Aquatech Asia 98, Singapore. Focus on water purification, wastewater treatment and water pollution-control equipment. For more details, contact: *William Lim, RAI Exhibitions Singapore PTE Ltd., 1 Maritime Square, #09-01, World Trade Centre, Singapore 099253. Fax: +65 272 6744. E-mail: rais-pore@singnet.com.sg*

21-3 April 1998. Fourth International Exhibition and Conference on Water Management, Marseilles, France. Focus on potable water technologies. For details, contact: *Gima, Environment Division, Heidenkampsweg 51, 20097 Hamburg, Germany. Fax: +49 40 235 24 400.*

10-13 May, 1998. Symposium on Technology, Operations and Economics of Providing Safe Drinking-Water in Small Systems, Washington DC, USA. Focus on developing practical solutions to problems of small water systems, with the aim of producing definitive reference source for water providers. Contact: *Joseph Cotruvo, 1301 K Street NW, Suite 225, Washington DC*

10005, USA. Fax: +1 202 289 2149. E-mail: cotruvo@nsf.org

3-6 June 1998. International Conference on World Water Resources, Paris, France. Objectives include: identifying water problems due to the increased demand for water for human water supply, irrigation, and industry; making recommendations to the international scientific community for dealing with future challenges. Contact: *UNESCO, Division of Water Sciences, 1 rue Miollis, 75732 Paris Cedex 15, France. Fax +33 1 45 68 58 11.*

30 June-2 July 1998. Water Africa '98, Nairobi, Kenya. Conference theme: Towards the Millennium — Strategies for drought, pollution and population pressures. Topics for discussion include: river-basin management; provision and sustainability of safe supplies; irrigation and drainage; and pollution prevention and wastewater management. For more details, contact: *African Conferences & Exhibitions, 37 Upper Duke Street, Liverpool L1*

9DY, UK. Fax: +44 151 709 7801. E-mail: africon@robart.demon.co.uk

July 1998. Postgraduate Diploma Programmes: Infrastructure for Low-income Urban Communities and Water Supply and Sanitation for Low-income Communities, Loughborough, UK. Distance learning for experienced professionals. For more details, contact: *Rod Shaw, Distance Learning Co-ordinator, WEDC, Loughborough University, Leics LE11 3TU, UK. Fax: +44 1509 211079. E-mail: R.J.Shaw@lboro.ac.uk*

6-10 July 1998. International Symposium on Hydrology in a Changing Environment, Exeter, UK. Aimed at hydrologists concerned with management, understanding and techniques of providing water within a changing environment. For more details, contact: *Dr Bruce Webb, Department of Geography, University of Exeter, Amory Building, Rennes Drive, Exeter, Devon EX4 4RJ, UK. Fax: +44 1392 263342. E-mail: B.W.Webb@exeter.ac.uk*

13-17 July 1998. FGR '98, Future Groundwater Resources at Risk, Changchun, PR China. For details, contact: *Dr Zhao Yongsheng, Conference Secretariat, PO Box*

298, Changchun University of Earth Sciences, 6 Ximinzhu Street, Changchun 130026, PR China.

19-24 July 1998. First International Conference on Fog and Fog Collection, Vancouver, Canada. Why fog collection is a sustainable, environmentally friendly water supply; and raising profile of fog in hydrological and ecosystem studies. *More information from: Dr Robert Schemenauer, PO Box 81541, 1057 Steeles Avenue West, North York, Ontario, Canada M2R 2X1. E-mail: Robert.Schemenauer@ec.gc.ca*

August 1998. Health Risks in Drinking-Water, Santiago, Chile. For details, contact: *Dr E.G. Reichard, US Geological Survey, 5735 Kearny Villa Road, Suite O, San Diego, CA 92123, USA. Fax: +1 619 637 9201. E-mail: egreich@usgs.gov*

31 August-4 September 1998. Twenty-fourth WEDC Conference: Sanitation for all, Islamabad, Pakistan. Aimed at social scientists, development workers, researchers, engineers, and teachers who are involved in sanitation, water, health, and environmental programmes. Contact: *Julie Allen, WEDC, Loughborough University, LE11, 3TU, UK. Fax: +44 1509 211079.*

Essential Resource Materials from IT Publications

Reaching the Unreached: Challenges for the 21st Century

Edited by John Pickford et al

A selection of papers from the 22nd WEDC conference, aiming to find ideas and techniques which will aid fieldworkers in planning, providing, operating and maintaining water and sanitation to 'reach the unreached'.

1997. ISBN 1 85339 412 2. £19.95.

Water Pumping Devices: A handbook for users and choosers

Peter Fraenkel

A revised edition of this standard work which gives a detailed and practical review of the options available for pumping and lifting water on a small scale.

1997. ISBN 1 85339 346 0. £19.95.
