

INSTRUCTIONS FOR SUBMITTING COMPLETED BOOK MANUSCRIPTS

All authors/book editors are asked to send their chapters, preliminary material, and appendices to Practical Action Publishing directly, by emailing them to Jutta Mackwell, Commissioning Editor, at Jutta.Mackwell@practicalaction.org.uk. If the files are too large, we recommend emailing them via a free file-sharing platform such as WeTransfer or Trello.

Before you send the files, make sure that you have: your chapters numbered, and that each chapter has a title, full author names, abstract and keywords at the start (for edited collections only), and references and author bio at the end. Please also make sure that all your figure files and photo files (if any) are of sufficiently high quality. (See House style guide above for our requirements).

When your book goes into production, you will be sent the reviewers' comments (if your book has not already been reviewed), and the copy editor's queries. Please do contact the editorial or production department if you need any assistance.
