Research Article

Perspectives from the field

Can you affirm that the work AS YOU HAVE SUBMITTED IT has not been published or accepted for publication elsewhere, nor is it being considered for publication elsewhere?

Can you confirm that all authors and relevant institutions have read the submitted version of the manuscript and approve its submission; and that all persons entitled to authorship have been so included?

Can you confirm that the work is original to the authors and, if it contains material which is someone else's copyright, can you confirm that you have obtained the unrestricted permission of the copyright owner and that the material is clearly identified and acknowledged within the text?

Can you confirm that all work conforms to the legal requirements of the country in which it was carried out and adheres to our ethics statement ([PUBLISH WITH US](#))

Please indicate the word count of your submission

If you are submitting for a special issue please indicate which:

Please include a 150 abstract

Article title
