

INSTRUCTIONS FOR JOURNAL AUTHORS

Thank you for submitting to *Waterlines* and *Enterprise Development & Microfinance*.
To complete your submission please follow the below steps:

1. Please embed all figures, tables and photos in your document
2. Please anonymise your document, removing all author names and affiliations
3. Please send us your paper in a Word Document
4. Fill our submission form
5. Submit to the relevant journal:
 - a. EDM@practicalaction.org.uk
 - b. waterlines@practicalaction.org.uk

Your article will be reviewed by our Editors and sent to peer review through a double-blind review process. You will receive comments via email and may be asked to revise.

Once revised your article will be reviewed by our editors and a decision will be made. Should you be accepted you will need to provide:

- A word document of your article with author name and affiliations included
 - o Affiliations should only include: full name, email, first affiliation, country.
A longer author biography can be included at the end of the paper if required.
- Separate photos and figures (these will be checked to ensure they can be set in the issue)

If accepted your article will move into production, the copy editor's queries and the first proof will be issued to you via email. You will need adobe reader to view the proof, this is free software and can be downloaded here:
