

**Enrich your online resources with this collection of 40 years of impactful research**

The Practical Action Publishing journals archive comprises **3,108 articles** – 317 of which are published under an Open Access licence – from *Waterlines*, *Enterprise, Development & Microfinance*, and *Food Chain* journals, published between 1982–2022, that together bridge the gap between research and practice, and offer world class insight into key issues in international development.

*Waterlines* journal comprises 40 years of debate and perspectives around the key challenges facing engineers, health professionals, community development workers, researchers and policy makers in the WASH sector.

**1,718 total articles  
published 1982–2022**
