

Latin America Bureau eLIBRARY

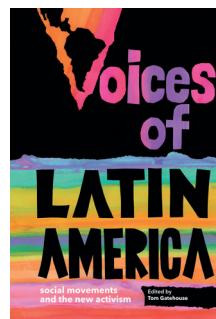

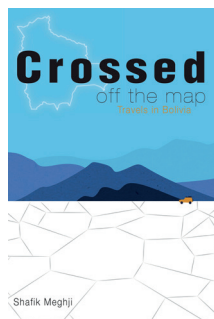

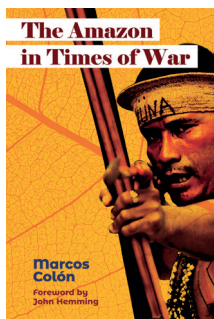

40 years of independent
research and analysis for your
colleagues and students

Latin America Bureau is a UK-registered not-for-profit company that publishes independent news and analysis around the struggles for social and environmental justice in Latin America - acting as a platform for its frontline partners.

Practical Action Publishing is proud to be the exclusive publisher and distributor of books produced by Latin America Bureau (LAB) on social, political, environmental, economic and cultural issues in Latin America.

The Latin America Bureau eLibrary package, comprising 126 ebooks, can be purchased as a stand-alone archive or as part of our complete archive ebook collection hosted on our platform practicalactionpublishing.com as detailed below and overleaf.
