Licence to Publisher

1. By signing this form, you (the author(s)) agree to grant to Practical Action Publishing (the Publisher) the non-exclusive right both to reproduce and/or distribute your article (including the abstract) ourselves throughout the world in printed, electronic or any other medium, and in turn to authorise others (including Reproduction Rights Organisations such as the Copyright Licensing Agency and the Copyright Clearance Center) to do the same. You agree that we may publish your article in the journal named above, and that we may sell or distribute it within the journal, on its own, or with other related material.
2. You promise that the article is your original work, has not previously been published, and is not currently under consideration by another journal. If it contains material which is someone else's copyright, you promise that you have obtained the unrestricted permission of the copyright owner (please attach evidence of this) and that the material is clearly identified and acknowledged within the text. You also promise that the article does not, to the best of your knowledge, contain anything which is libellous, illegal, or infringes anyone's copyright or other rights.
3. We promise that we will respect your rights as the author(s). That is, we will make sure that your name(s) is/are always clearly associated with the article, and we will not make any substantial change to your article without consulting you. We will have your article fairly reviewed by impartial referees, and will let you know the outcome as quickly as possible. If it is rejected, this agreement is automatically cancelled and all the rights come back to you. On publication, we will send you a free copy. We will take all reasonable steps to maximise the visibility of the journal, and of your article within it.
4. Copyright remains yours, and we will acknowledge this in the copyright line which appears on your article. However, you authorise us to act on your behalf to defend your copyright if anyone should infringe it, and to retain half of any damages awarded, after deducting our costs.

5. We will keep the information you have provided for record purposes; you permit your name and address to be reproduced in the journal and on indexing and abstracting and bibliographic services. Your details will not be used for any other purpose.

- No

It is mutually agreed that on receipt of an article processing charge a pdf of your article will be freely available from our online platform in perpetuity.

As your article is going to be made open access online and will be freely available for download, please let us know the rights you would like to grant to others, who are not the Publisher, to reuse your article. Please be aware standard clause 1-4 above applied and you maintain full reuse rights over the material. Please select one of the following options:

- I require all users to request permission from myself or the Publisher before reuse
- I would like to use a Creative Commons Licence (if you tick this, please select the type of creative commons licence you prefer:
 - Attribution Non-commercial No-derivatives (CC-BY-NC-ND). This licence provides you with the most control over how the material is used only allowing others to download your works and share them with others as long as they credit you, but they can't change them in any way or use them commercially.
 - Attribution licence (CC-BY 4.0). This license lets others distribute, remix, tweak, and build upon your work, even commercially, as long as they credit you for the original creation. If you opt for this licence you cannot later revoke these reuse freedoms granted to others.
